

**Revo**  
4WHEEL SCOOTERS

The Revo® delivers full-sized scooter style, performance and features in a compact, lightweight design that easily disassembles for transport while remaining highly affordable.

It has an innovative interlocking drop-in battery pack for easy removal/installation

Easily disassembles into 4 lightweight, easy-to-manage pieces plus basket.

This versatile scooter can carry a maximum weight capacity of 136 kg / 300 lbs.

It has a state-of-the-art, microprocessor-based motor controller and the seat offers height adjustment, 360 degree rotation and flip-up armrests for optimal user comfort with adjustable tiller for maximum comfort. New gadgets include headlight and taillight for added safety and easily-accessible charger port and circuit breaker.

New ergonomic U-shaped handle offers greater comfort and manoeuvrability.
